EQUIPMENT INSPECTION CERTIFICATE

CERTIFICATE NO. PSL/SI/ENL/CR/SEPT.22/001

CLIENT : ELSHCON NIGERIA LIMITED
LOCATION : ONBOARD ENL SUPERIOR
EQUIPMENT : HYDRAULIC TELESCOPIC KNUCKLE BOOM CRANE
MANUFACTURER : CREDENCE OFFSHORE LIMITED
SERIAL NO. : COPL 130029
SWL : 2.2 TONNES @ 12.44 MTRS RADIUS
DATE OF INSPECTION : 07.09.2022

• **VISUAL INSPECTION**

A visual inspection was conducted to check for break, wear, nicks, cuts, cracks, gouges, corrosion and deformation of the slings, coupled with the entire crane structure and found to be satisfactory.

• **FUNCTION**

Function test was conducted on the crane using known weights and found to be satisfactory.

• **MAINTENANCE RECORDS**

Crane should be maintained regularly.

The crane identified and covered by this certificate and located **ONBOARD ENL SUPERIOR**, is hereby certified fit for purpose within its normal operational parameters; and that no major mechanical, electrical and welding repairs are carried out without the prior knowledge of the undersigned in line with statutory regulations and industry standards, as such will nullify the validity of this certificate.
