Details Plain text

Good morning Sir,

Please the Fuel injection pumps are ready. However, the fuel injectors need replacement of two spray tips at N75,000 each which is N150,000. Also we need seals for the mounting of the pumps which will cost a total of N24,000. Please note, all the internal deals have been replaced as part of the overhauling. Two fuel return line fittings must be replaced at N15,000 each, totaling 30k.

Looking forward to a prompt response regarding said requests.
Thanks and regards

N180,000= approved

Sir!

Frawma is requesting for 2 pieces of injector nozzles, seals for mounting injection pumps and two fuel return line fittings, amounting to N204,000. We currently do not have these spares in stock and efforts so far to compare prices in mile 3 has not yielded results. Kindly approve the said amount to enable them conclude with the servicing.
