COO,  
Kindly process as an  
HSE & legal requirements  
for our family  
for the  
27/1/2021

Sir, the servicing of  
the treatment plant is  
recommended considering  
the cost implication  
of carrying out discharge  
and recharging exercise.

Servicing of the plant  
six (6) monthly is a  
statutory requirement.
