

TRAINING PROPOSAL/COURSE DETAILS						
S/N	COURSE TITLE	DURATION	COURSE OBJECTIVE/BENEFITS	TARGET AUDIENCE	TRAINING DELIVERABLES	COST
1	Basic Rigger Course. Course Code: 101 IADC	2 days	The training will make the personnel theoretically and practically competent in safe use of lifting equipment, rigging of loads, lifting operations which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Roustabout, Drilling crew, Riggers, Mobile Crane Operators, Crane Supervisors, HSE Personnel's in Lifting Operations, Truck, personnel developing new careers, novice personnel.	IADC Certificate of Completion, Basic Rigger Course Manual	N150,000
2	Banksman/Slinger Course Course Code: 102	2 days	The training will make the personnel theoretically and practically competent in safe use of lifting equipment, rigging of loads, planning and execution of lifting operations, signaling which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Riggers, DeckForeman, Roustabouts/Roughnecks, Lifting Superintendent, supervisors, logistics controllers, Crane Operators, Quayside personnel, Yard crews	IADC Certificate of Completion, Banksman/Slinger Course Manual	N150,000
3	Safe Use of Lifting Equipment Course Code: 103	2 days	This course is tailored to acquaint th personnel in the safe use of lifting equipment, rigging of loads, safe systems of work	Managers, HSE Engineers, Lifting Supervisors, Roustabout, Roughnecks, Storeman, Crane Operators, Forklift Operators, Riggers, Quayside supervisors,	IADC Certificate of Completion, Safe Use of Lifting Equipment Course Manual	N150,000
4	Mobile Crane Operator Course Code: 104	2 days	The training will make the personnel theoretically and practically competent in the safe use of the Mobile Crane which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Crane Operator, DeckForeman,	IADC Certificate of Training, Mobile Crane Operator Course Manual	N150,000
5	Mobile Crane Operator (Novice). Course Code: 105	2-3 Months	The training will make the personnel theoretically and practically competent in the safe use of the Mobile Crane which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Roustabouts/Roughnecks, Quayside personnel, Yard crews	IADC Certificate of Completion, Mobile Crane Operator Course Manual	N250,000
6	Overhead Crane Operator Course Course Code: 106	2 days	The training will make the personnel theoretically and practically competent in the safe use of the Mobile Crane which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Mobile Crane Operators, Crane Supervisors, HSE Personnel's in Lifting Operations, Riggers, Truck, other equipment operators developing new careers, novice personnel.	IADC Certificate of Completion, Overhead Crane Operator Course Manual	N150,000
7	Offshore Crane Operator Course Stages 1,2,3 Course Code: 107	2 days	The training will make the personnel theoretically and practically competent in the safe use of the Mobile Crane which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Offshore Crane Operators, Deck Foreman, Crane Supervisors, HSE Personnel's in Lifting Operations, Riggers, Truck, other equipment operators developing new careers, novice personnel.	IADC Certificate of Completion, Offshore Crane Operator Course Manual	N160,000
