8	Mobile Elevating Work Platform (Aerial Lift). Course Code: 108	2 days	The training will make the personnel theoretically and practically competent in the safe use of the Mobile Crane which in turn lead to; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Equipment, Operators, field workers, Supervisors, HSE Personnel's in Lifting Operations, Riggers, novice personnel.	IADC Certificate of Completion, Aerial Lift Operator Course Manual	N150,000
9	Appointed Person for Lifting Operation Course Code: 109	5 Days	The training will make the personnel theoretically and practically competent in planning, supervision and execution of lifting operations in a safe manner. Benefits derived after this course includes; 1. Reduction of Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Increase in productivity etc.	Banksmen, Equipment operators, Supervisors, Managers	IADC Certificate of Completion, Appointed Person for Lifting Operation Course Manual	N295,000
10	Forklift Operator Course Course Code: 110	2 days	The training will make the personnel theoretically and practically competent in the safe use of the Forklift truck which in turn lead to; 1. Reduced Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Maximization of stacking areas 5. Increase in productivity etc.	Forklift Operators, Supervisors, Material Controller, HSE Personnel, Riggers, drivers.	IADC Certificate of Completion, Forklift Operator Course Manual	N150,000
11	Forklift Operator Course (Novice) Course Code: 111	1 Week	The training will make the personnel theoretically and practically competent in the safe use of the Forklift truck which in turn lead to; 1. Reduced Incident/Accident 2. Equipment optimization 3. Job efficiency 4. Maximization of stacking areas 5. Increase in productivity etc.	Forklift Operators, Supervisors, Material Controller, HSE Personnel, Riggers, drivers, other equipment operators developing new careers, novice personnel.	IADC Certificate of Completion, Forklift Operator Course Manual	N170,000
12	Self Loader Operator Course Course Code: 112	2 days	This course is to make the personnel theoretically and practically competent in the safe use of the Self Loader truck.	Self Loader Operators, material controllers, supervisors etc.	IADC Certificate of Completion, Self Loader Operator Course Manual	N150,000
13	Winch Operator Course. Course Code: 113	2 days	Winches are vital equipment used for onshore and offshore operations. This course is to make the personnel theoretically and practically competent in the safe operation winches.	Winch Operators, Deck crews, supervisors etc.	Certificate of Training, Winch Operator Course Manual	N150,000
14	Powered Industrial Trucks (Excavator, Swamp Buggy, Payloader, etc.) Course Code: 114	2 days	This is course is for those operating powered industrial trucks of different categories in the construction, oil and gas industries.	Heavy Duty Equipment Operators, Supervisors, Material Controller, HSE Personnel, Riggers, drivers, other equipment operators developing new careers, novice personnel.	Certificate of Training, Powered Industrial Truck Operator Course Manual	N135,000
15	Basic Fire Fighting Course. Course Code: 201	2 days	This course provides the confidence to respond to fire emergency and proper use of fire equipment for survival.	Management, supervisors, workforce etc.	Certificate of Training from DPR Approved Training Center.	N40,000
16	Confined Space Entry/Rescue Course Course Code: 202	2 days	Relevant for persons that will work or carry out hot work in closed areas with potentials of gas explosion;	Deck crews, welders, painters, fitters, Riggers, and everybody carrying out work in confined spaces.	Certificate of Training from DPR Approved Training Center.	N120,000
17	First Aid Training Course Code: 203	2 days	Accidents occur on a daily basis and this course helps everyone that will administer First Aid Treatment to efficiently carry out the task on the work site.	Drilling Crew, Riggers, Banksmen, Mobile Crane Operators, Crane Supervisors, Lifting Supervisors, HSE Personnel's in Lifting Operations, Riggers, Truck, personnel developing new careers, novice personnel.	Certificate of Training from DPR Approved Training Center.	N40,000
