8. Hand brush 1 pakt.
9. Labour for 5 days operation both blasting and coating ₦700,000
10. Compressor 45,000 x 2 days = 90,000

MD/CEO

Sir, We negotiated for 3-part painting system & blasting of hull & deck @ ₦350,000 as agreed by the contractor.

I suggested cleaning, painting (Priming) & scraping of the internal structural members to elongate the span of the steel metals.
@ ₦250,000
