1	SSL/TLS (Annually)	₦55,000
2	Dedicated IP Address (Annually)	₦40,000
<b>Total</b>		<b>₦ 95,000</b>

**What is SSL/TLS Certificate?**

SSL or TLS (Transport Layer Security) certificates are data files that bind a cryptographic key to the details of an organization. When SSL/TLS certificate is installed on a web server, it enables a secure connection between the web server and the browser that connects to it. The website's URL is prefixed with "https" instead of "http" and a padlock is shown on the address bar.
