

Re:[## 572 ##] Elshcon - ENL Superior - Missing Data

From Callum Lashley on 2021-01-29 12:07

Details Plain text

Good morning Israel,

My engineer has discovered that the Iridium Antenna onboard is not working and needs to be replaced. The price for a new antenna is \$4,293.25, are you happy to incur this cost and have the antenna replaced?

Kind Regards,

Callum Lashley

Technical Support Engineer

Sir,

Kindly approve for EFMS Iridium antenna replacement. \$4,293.25 USD
